

You set my heart aflame.

You fill my sun with fire.

And when the world seems dull and cold,
it's the light that dances in your eyes that
keeps me warm.

You bring me hope.

I love you.

Deal with it.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

If there was only one cup of
coffee left...

...I guess I'd just have tea.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

There's a piece of my puzzle
missing.

I'm sure I had it when we
last met.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

Don't worry about falling
asleep...

...that's what bedtime stories
are for

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

I know you know...

...but I'm not saying it to
remind you.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

I'd fight the hordes of hell for
you...

...but wouldn't co-op be more fun?

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

It's dangerous to go alone.

Take me.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

I'd give you the world...

...but what would you do with all
that crap?

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

If you ask me real nice, I'll sing
for you...

...even if I'm sober.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

I'll survive without you...

...but there's more to life than
just surviving.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

You're not too bad...

...and your kids aren't that
annoying.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

Screw this!

Let's go exploring.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

I've done a lot of stupid
things...

...but you're not one of them.

(also, you're not stupid, and
you're not a thing)

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

You'll do...

...and that's more than I can say
for anyone else.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

You're not perfect.
You've got your flaws and
failures - your annoying habits
and your crazy ideas...

...but I have to think real hard
to remember what they are.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

I prefer being alone...

...but it's okay if you're there.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

Screw it, I've written you enough
cards...

...so here's a book instead.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

If I were the hero and you were
the captured princess...

...it'd be a stupid analogy. My
princess wouldn't get herself
captured.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

If I were the hero and you were
the captured princess...

...you'd probably have rescued
yourself by the time I was done
searching through all the wrong
castles.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

If I were the princess and you
were the hero...

...I might find it a bit
awkward, but sure, as long as
it's not every time...

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

If I had to choose someone to
spend the rest of my life with,
you'd be on top of the list...

...and it wouldn't be a list.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

Blah blah blah blah blah blah...

...blah blah blah

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

I can't be there with you...

...but I'll be here for you.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

This is never going to end well...

...but I'm all about the journey.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

It's not an easy road to travel...

...but I wouldn't have asked
you to come along if I thought
you didn't know.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

Our passions burn with different
flames...

...but the fire is the same.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

You hold my heart in the palm of
your hand...

...you should probably be wearing
gloves.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

I was going to buy you a ticket
and fly you here...

...but there's no way I'd make
you get up that early just for
my sake.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

GIMME A BIG HUG!

AGAIN!

AGAIN!

AGAIN!

One more?

It's late and I'm tired and I
can't sleep...

...did you forget to turn off
the muse again.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

Will you sing with me?

This is a moon for howling.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

Sure, my life would be a lot
easier if it weren't for you...

...but don't worry, I'll manage.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

Sure, my life would be a lot
easier if it weren't for you...

...but you keep me from making
it worse.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

It's probably better for everyone
if you cook...

...but I can do the dishes.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

Just because you fall asleep
doesn't mean the story ends...

...I'll read you the rest
another night.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

Home is where the heart is.

So why do I spend so much time
where you are not?

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

Home is where the heart is.

Leave no trace.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

Home is...

Have you seen my hat?

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

I often worry about running out of
ideas...

...but with a muse like you,
that's kind of silly.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

You broke the world.
You changed the rules.
You tore me apart and threw me to
the wind.

...just by being you.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

I'll build you a castle...

...and if you get the pillows
from the bedroom we'll have a
moat as well.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

You're the wind in my trees and valleys.
You dance through my forest over hills unknown.

Can I be the sunset on your reefs and islands?
Can I paint your sky with fire?

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

I can't carry your burden...

...but if you'll let me, I'll
hold your hand.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

Potato angle buffalo.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

Nice boots...

Let's go exploring.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

Nice boots...

...they'd look great in the
desert, covered in dust and with
your feet all laced up inside of
them.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

It occurred to me I never told
you that I think you're very
beautiful...

...I must remember to do that.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

You're free to leave.
It's okay if you want to be alone
- for however long you need.

Forever?

...but I'll leave the door
unlocked. I'll keep a light
burning.
You know where the coffee is.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

It hurts me to see you in pain...

...but I'm glad you let me see.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

I've got a plan - the lonely
kind...

...but wherever I go, my memories
of you go too.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

I wanted to send you all my
love...

...but what would remain of me?

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

I wanted to send you all my
love...

...but I couldn't figure out the
postage so I made you a cake
instead.

...and then I ate it so it
wouldn't go bad in the mail.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

I'm not perfect.
I don't always get it right.
I'm not as funny as I think I am.

There are times I've been so
clever I have no idea what I tried
to say...

...but that's okay. I trust you.
I'm allowed to fail.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

I'm so tired of all this.

Will you sleep with me?

I mean next to.

Zzz... Zzz...

Yes, the madness is my own...

...but you don't reach this
level of crazy without a quality
muse to misguide you.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

Sometimes I feel I ought to leave
you alone and give you some
space...

...but it's really difficult
when I can't tell you how hard
it is not to talk to you.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

I know you don't love me the way I
wish you would...

...but as long as you let me
love you, that's okay.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

Sure, it's not like it was that
one time, way back when...

...but we're still here.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

There is no happily ever after...

...but this is not the end of
our story.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

There is no happily ever after...

...but I'm not gonna let a silly
little thing like that stop me.

Are you?

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

I know I can't always make you
smile...

...but it's really hard to
accept.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

I may have shaved my head...

...but you're still the wind in
my hair.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me.

<3

You're the key that the song of my life is sung in.
