There is room for you.

I love you.

Read me

That's it! I've written you enough  
cards...

...so here's a book instead.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Read me

I've done a lot of stupid  
things...

...but you're not one of them.

(also, you're not stupid, and  
you're not a thing)

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Love me

You'll do...

...and that's more than I can say  
for anyone else.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Read me

You're not perfect.  
You've got your flaws and  
failures - your annoying habits  
and your crazy ideas...

...but I have to think real hard  
to remember what they are.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Read me

I prefer being alone...

...but it's okay if you're there.

Touch me

Stop. Breathe. Dream.

I have time for you.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Dream.

If I were the hero and you were  
the captured princess...

...it'd be a stupid analogy. My  
princess wouldn't get herself  
captured.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Read me

If I were the hero and you were  
the captured princess...

...you'd probably have rescued  
yourself by the time I was done  
searching through all the wrong  
castles.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Read me

If I were the princess and you  
were the hero...

...I might find it a bit  
awkward, but sure, as long as  
it's not every time...

.....

.....

.....

Happy Not-Valentine's Day-Day

If I had to choose someone to  
spend the rest of my life with,  
you'd be on top of the list...

...and it wouldn't be a list.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Hold me

Blah blah blah blah blah blah...

...blah blah blah

I can't be there with you...

...but I'll be here for you.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Read me

This is never going to end well...

...but I'm all about the journey.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Read me

It's not an easy road to travel...

...but I wouldn't have asked  
you to come along if I thought  
you didn't know.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Read me

I often worry about running out of ideas...

...but with a muse like you,  
that's kind of silly.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Read me

Our passions burn with different  
flames...

...but the fire is the same.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Burn with me

You hold my heart in the palm of  
your hand...

You should probably be wearing  
gloves.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Read me

I was going to buy you a ticket  
and fly you here...

...but there's no way I'd make  
you get up that early just for  
my sake.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Touch me

GIMME A BIG HUG!

AGAIN!

AGAIN!

AGAIN!

One more?

It's late and I'm tired and I  
can't sleep...

...did you forget to turn off  
the muse again.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Dream with me

Will you sing with me?

This is a moon for howling.

Swim with me in the lake in the forest in  
the warm summer night.

Sure, my life would be a lot  
easier if it weren't for you...

...but you keep me from making  
it worse.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Hold me

It's probably better for everyone  
if you cook...

...but I can do the dishes.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Read me

Just because you fall asleep  
doesn't mean the story ends...

...I'll read you the rest  
another night.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Read with me

Home is where the heart is.

So why do I spend so much time  
where you are not?

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Read me

Home is where the heart is.

I hope it hasn't been pumping  
blood all over your kitchen  
table.

Home is...

Have you seen my hat?

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Help me

I'm not one for relationships.  
I don't need anyone else.  
I'm fine on my own.

But when I'm old, it is you I  
want to have shared my life with.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Watch the setting sun with me

You broke the world.  
You changed the rules.  
You tore me apart and threw me to  
the wind.

...just by being you.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Love me

I'll build you a castle...

...and if you get the pillows  
from the bedroom we'll have a  
moat as well.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Read me

You're the wind in my trees and valleys.  
You dance through my forest over hills unknown.

Can I be the sunset on your reefs and islands?  
Can I paint your sky with fire?

I'm the flowers in the frost across your  
window on a cold winter morning.

I can't carry your burden...

...but if you'll let me, I'll  
hold your hand.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

See me

Potato angle buffalo.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Read me

Nice boots...

Let's go exploring.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Read me

Nice boots...

...they'd look great on a  
hillside, covered in mud and with  
your feet all laced up inside of  
them.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Read me

It occurred to me I never told  
you that I think you're very  
beautiful...

...I must remember to do that.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Read me

You just stay right there.

I'll go get the day ready.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Sleep a little longer

You're free to leave.  
It's okay if you want to be alone  
- for however long you need.

Forever?

...but I'll leave the door  
unlocked. I'll keep a light  
burning.  
You know where the coffee is.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Love me

It hurts me to see you in pain...

...but I'm glad you let me see.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Believe me

I fly alone...

...but wherever I go, my memories  
of you go too.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Remember me

I know I can't always make you  
smile...

...but it's really hard to  
accept.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

See me

I wanted to send you all my  
love...

...but what would remain of me?

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Read me

I wanted to send you all my  
love...

...but I couldn't figure out the  
postage so I made you a cake  
instead.

...and then I ate it so it  
wouldn't go bad in the mail.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Read me

I'm not perfect.  
I don't always get it right.  
I'm not as funny as I think I am.

There are times I've been so  
clever I have no idea what I tried  
to say...

...but that's okay. I trust you.  
I'm allowed to fail.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Love me

I'm so tired of all this.

Will you sleep with me?

I mean next to.

Zzz... Zzz...

Yes, the madness is my own...

...but you don't reach this  
level of crazy without a quality  
muse to misguide you.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Push me

Sometimes I feel I ought to leave  
you alone and give you some  
space...

...but it's really difficult  
when I can't tell you how hard  
it is not to talk to you.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Find me

I know you don't love me the way I  
wish you would...

...but as long as you let me  
love you, that's okay.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Loose me

Sure, it's not like it was that  
one time, way back when...

...but we're still here.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Set me free

There is no happily ever after...

...but this is not the end of  
our story.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Dream with me

There is no happily ever after...

...but I'm not gonna let a silly  
little thing like that stop me.

Are you?

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Dream with me

There is no happily ever after...

...but sometimes I can make you  
smile, and that's kind of the  
same.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Dream with me

I may have shaved my head...

...but you're still the wind in  
my hair.

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Sing with me

<3

You're the key that the song of my life is sung in.
